DETAILED ACTION

This Office action responds to the decision of the Board of Patent Appeals and Interferences (BPAI) rendered 2/17/2005.

EXAMINER'S AMENDMENT

1. The BPAI affirmed the rejection of claims 2 and 3 in its decision rendered 2/17/2005. Prior to the decision by the board, claim 1 was cancelled, the examiner allowed claims 4-6 and 16-19, and claims 7-15 were withdrawn from consideration. An examiner's amendment to the record appears below according to MPEP §1214.06. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

In the claims:

Cancel claims 2, 3, and 7-15.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

None of the references of record shows or can be fairly combined to render obvious a semiconductor device comprising a plurality of core gate stacks, each of the

stacks comprising a first polysilicon gate, a WSi layer above the polysilicon gate, a polysilicon capping layer above the WSi layer, and an additional capping layer above the polysilicon capping layer, in combination with the other claim limitations.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
